

The galgos (breed name galgo español) are Spanish bred greyhounds used widely by hunters in the rural areas of Spain, for coursing hares with betting. The galgos we help are homed mainly in Belgium, France, Germany, Italy, Slovenia and Switzerland thanks to our contacts abroad.

However, twice a year we bring some galgos into quarantine. All are sterilised, micro-chipped and have been tested, in Spain, for Mediterranean diseases and found negative before they come to the UK. Our current group of galgos shown in this leaflet will leave quarantine on 4th December, 2011.

If you would like to **sponsor one of the galgos** during their time in quarantine please complete the sponsor form below and return to Greyhounds in Need, 33, High Street, Wraysbury, Middx. TW19 5DA. If you are interested in **offering a home** to one of our galgos please contact Pat, our Homing Officer, by email [patriciawhipps@ntlworld.com](mailto:patriciawhipps@ntlworld.com) or by phone -01784 434735. Pat can then send you our homing pack .

**CAN YOU HELP ONE OF OUR GALGOS HERE IN THE UK ?**

Curro

CICATRIZ - a lovely looking big male long haired brindle galgo with some white markings. He is a little timid and will need to gain his confidence. He gets on well with other dogs. He is approximately 3 years old and was handed in to the RECAL shelter in Almendralejo by his hunter owner.

CURRO - a large black male galgo with some white markings. He is 3 years old and was handed in to the RECAL shelter by his hunter owner. He arrived at the kennels in Vic when we visited recently. He was taken out of his travel crate and was soon enjoying lots of fuss and started wagging his tail. He needs to put some weight on.

AMANDA - a light brindle/grey female galga with some white markings. She is 4/5 years old, a lovely looking dog and friendly and seems a very happy dog who got on very well with her kennel mates in Spain. At the kennels in Vic she was quite good at digging holes! She was rescued by Mada of the RECAL shelter in Almendralejo, she was stuck in a hole and it took 2 days before she could be rescued.

LUA - a small brindle female galga with some white markings. She is approx. 2-3 years old and was rescued by Galgos sin Fronteras in Madrid. She is very friendly and got along fine with the other galgos at the kennels in Vic.

FERNANDO - a light brindle male galgo. He is so friendly and likes lots of fuss. He is approx. 3 years old and was brought to the RECAL shelter in Almendralejo by his owner.

CHICA - a white female galga with some long hair on her back. She is a nice looking galga and very friendly. She was handed in to the RECAL shelter. She is around 4-5 years old. She also liked digging in the exercise paddock at Vic and then liked to lay in the hole she had made!
